 PETITIONING THE COURT

## To issue a warrant.

The probation officer believes the offender has violated the following conditions of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

- |   |   |
|---|---|
| 1 | <b><u>Special Condition # 21:</u></b> You shall abstain from alcohol and shall submit to testing (including urinalysis and Breathalyzer), as directed by the supervising probation officer, but no more than six tests per month, in order to confirm continued abstinence from this substance. |
|---|---|

**Supporting Evidence:** Matilda Jim consumed alcohol on or about May 8, 2015, and August, 24, 2015.

On June 15, 2015, Ms. Jim reported for an office visit and admitted to consuming alcohol on May 8, 2015, and attempting to end her life. She reported the reason she consumed alcohol and attempted suicide was because she had broken up with her boyfriend and was feeling depressed. Ms. Jim was reluctant to speak about her suicide attempt but this officer observed what appeared to be about a three to four inch scratch/cut across her throat. As a result of the suicide attempt, her mental health counseling sessions were increased to weekly and a safety plan was established with her counselor.
